

SEAN MICHAEL LIND

Carencro, Louisiana | 504-579-6193 | Slind@agogegroup.us

EXECUTIVE PROFILE

Construction Executive with 25+ years of experience leading multi-billion-dollar design-build, P3, and mega-infrastructure programs across North America. Proven track record delivering complex transportation projects including highways, bridges, rail, and aviation infrastructure. Recognized for rebuilding client trust, aligning joint venture partners, and driving projects from distressed conditions to high-performance outcomes.
